DECORATIVE LAMINATED GLASS

Using the very latest advancements, we are able to produce bespoke laminated glass to fulfill a variety of requirements.

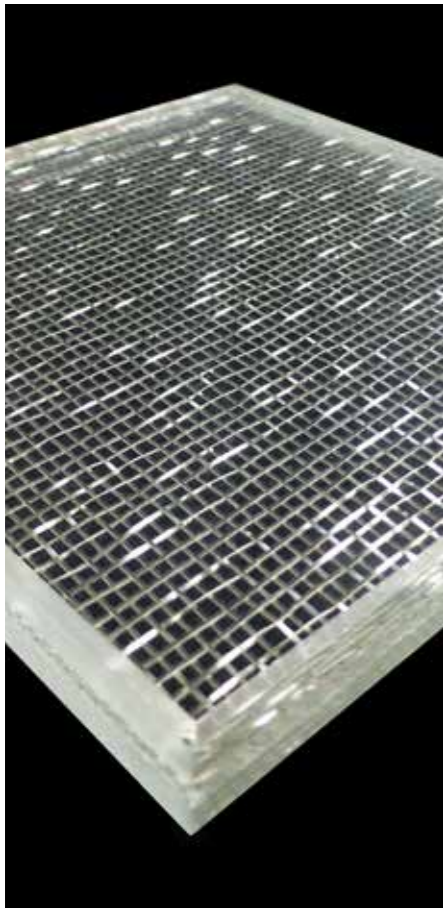

Explore our exciting decorative laminated glass lines or incorporate your custom interlayer for your next project. We offer a huge selection of laminated glass colours, textures and finally add a delicate touch of class with our decorative mesh collection. Why not choose opacity with our frosted interlayers or a mirror backing to add depth and warmth for all your laminated projects.

Maximum size 3000mm x 1700mm

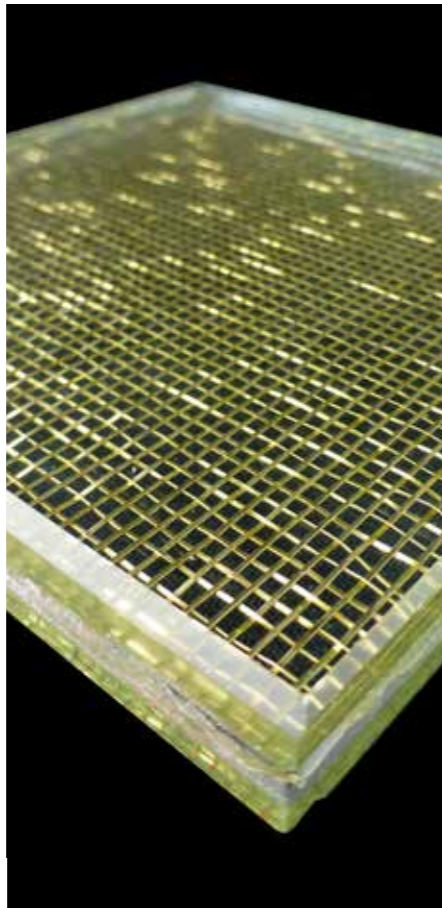

Glass Design and Cadisch have worked on many collaborations over several years together, from individual private residential homes to corporate giants such as UBS. This tried and tested relationship has a proven track record when meeting to discuss architects and clients requirements.

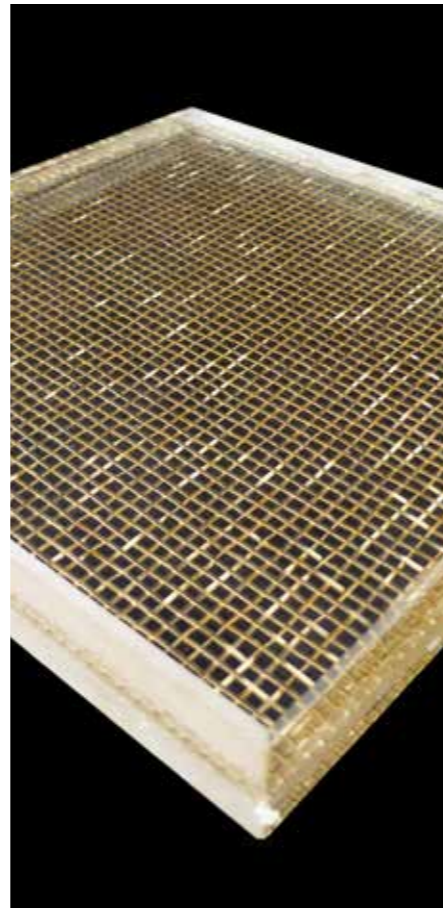

Balustrades, shower screens, residential and commercial partition screens all add a stylish and quality look when specifying laminated mesh glass.
