Ordinary,  
unprotected glass

ClearShield  
Eco-Glass™

**RITEC**

[www.ritec.co.uk](http://www.ritec.co.uk)

Working like 'non-stick' cookware, **ClearShield®** upgrades unprotected glass into **ClearShield Eco-Glass™**, a low-maintenance, anti-microbial surface.

- Resists the adhesion and growth of bacteria, viruses and fungi
- Saves cleaning time and effort
- Ideal for areas where hygiene is paramount

#### General

- Glass doors and partitions
- Glass privacy screens
- Mirrors
- Glass furniture
- Kitchen splashbacks

#### Sanitary

- Washrooms
- Shower areas / doors

#### Medical / Scientific

- Hospitals and surgeries
- Laboratories

#### Leisure

- Spas and sports centres
- Swimming pools

#### Food Contact

- Work tops
- Food counters / display areas

#### Specially developed After-Care products

Cleaning your glass no longer requires harsh and abrasive materials, which may be harmful to you and the environment.

Our After-Care range has been specially developed to gain the maximum performance from ClearShield® protection.
