'Non-stick' ClearShield Eco-Glass™ …
A Unique Window of Opportunity!

ClearShield® just got bigger, better and greener!

Ritec is introducing its award-winning ClearShield Eco-System™ offering window manufacturers and installers in the UK a unique opportunity to...

- **Stand out from competition & delight your customers**
- **Win new business**
- **Sell more windows and/or make more profits**

And we are so confident of your success that we offer a **100% satisfaction guarantee or your money back*** for your complete peace of mind.

So how does it work and what does it mean to you?

Working like 'non-stick' cookware, the ClearShield Eco-System™ upgrades unprotected glass into 'Non-Stick', Easy-Clean, Low-Maintenance Eco-Glass™.

To your customers, it means

- **Maintaining glass clarity, visibility and cleanliness**
- **Reduces cleaning time, effort and frequency by up to 90%**
- **Keeping windows looking like new and sparkling**
- **Helping to maintain the windows Energy Rating**

2013 PRODUCT OF THE YEAR
METAL & GLAZING
USGlass MAGAZINE

To you, it means

- **Added Value & Higher profits** without needing to sell more windows.
  The proven perceived value of ClearShield Eco-Glass™ is such that you can charge a higher price or reduce the need for discounting.

- **Increased Sales** offering something no-one else has.
  Unique Selling Points for more leads and referrals, closing more sales.

- **Start up new retailers** with products that stand out and effective Point of Sale Displays.

- **No risk – Everything to gain nothing to lose**
  - **Very little investment**: launch a new product without the costs
  - **Guaranteed Performance**: more than 30 years of proven results
  - **Satisfaction Guaranteed**: for complete peace of mind

- **Happy customers and less call backs**

ClearShield Eco-Glass™ helps maintaining promised Energy Ratings and saves your customers cleaning time and effort, achieving more satisfactory results for pristine windows that they can be proud of.
